

Fall 2011

Amityville Soccer Home Field Rules

FIRST TEAM to use a field is responsible for the following:

- 1) Lining the field
- 2) Setting up the nets
- 3) Putting corner flags in place
- 4) Securing goals so that they will not move during the game

***I must be notified if there are any changes regarding your home games*

LAST TEAM to use a field is responsible for the following:

- 1) Remove nets and put in bags
- 2) Secure and lock goals to appropriate fence
- 3) Take the nets and tool box back to Loudon Avenue

NEVER KEEP THE NETS AND TOOL BOX IN YOUR CAR OR AT YOUR HOUSE OVERNIGHT!!!

- Midweek before a home game, call the other coaches that have games before you or after you to ensure that there have been no changes in their schedule. The SSI games are especially volatile. There is nothing worse than showing up to a field that you think is set-up and finding out that it is NOT.
- Metro Stars Rule-ASL will provide a referee for your home games. If you change the time or date of your game, you must secure a referee by your own means. (SSI only)
- All of the LIJ travel coaches and SSI coaches' telephone numbers and e-mail addresses are on the ASL website.

*The following is the phone number for field and equipment manager **Kevin Casey (917)596-6354 or KCasey@Janney.com**. Kevin can supply you with the appropriate keys and equipment.*
